- *Subject*: what happens when you reply to nobody@cicada.berkeley.edu ?
- *From*: Eric Hughes <hughes@soda.berkeley.edu>
- *Date*: Sun, 13 Jun 93 07:37:23 -0700
- *In-Reply-To*: nobody@cicada.berkeley.edu's message of Sat, 12 Jun 1993 20:35:44 -0700 <9306130335.AA16404@cicada.berkeley.edu>

```
The name 'nobody' is frequently aliased to /dev/null, i.e. the bit
bucket.  I cannot speak for cicada in particular.  When I wrote the
first of these remailers, I remailed from nobody because it was the
/dev/null alias; responding to anonymity should get you nothing.

Eric
```
